VICTOR E. BENSTEAD JR.
Veteran Councilman of 10 Years, says:

"Mayor Albert Isen is known to his friends, business and professional associates as a man of honor and integrity. We on the City Council have witnessed his enormous capacity for work. The people of Torrance owe much to his ability and aggressive leadership.

"In my opinion, Albert Isen is the best mayor the City of Torrance has ever had."

MAYOR AT HOME... Mayor and Mrs. Albert Isen glance at portrait of their daughter, Lorna, at their home overlooking South Torrance. Mayor Isen has resided in Torrance since 1913, laying claim to being a true pioneer in this city that dates its founding the year previously. He has been mayor of Torrance since 1955, seeks re-election to a four-year term.

NEVER LET UP

Isen Begins Busy Career on Campus

When the Torrance High School student body newspaper celebrated its 40th anniversary recently, it paid tribute to one of Torrance's most prominent citizens as its founder—Mayor Albert Isen.

In a front-page interview with Mayor Isen, Editor Frances Adams reviewed the early days of the school paper, then called the Torrance News-Tribune, and told today's student body how the publication of the first issue came about.

In the same anniversary issue, the editors reported that Albert Isen had just been elected student body president at the time of the first issue 40 years ago.

ACTIVITY showed on campus in that early day by the first student to enter and complete his education in Torrance elementary and secondary schools has continued through the intervening years for Albert Isen, the city's mayor since 1955.

Moving to Torrance in 1913 as a 6-year-old, Isen completed high school here and then attended the University of Southern California where he was graduated from the School of Law in 1930.

ISEN RETURNED to Torrance to open his law offices in 1933, and has maintained a practice here since that time.

In addition to his law practice, he taught business law and real estate for a 10-year period at Torrance Evening High School, at Redondo Beach Evening High School, and at the Los Angeles Polytechnic Evening High School.

He has been most active in a large number of civic and fraternal organizations, and has been president of the South Bay Bar Assn., South Bay B'nai B'rith Lodge, Torrance Lions Club; has been area chairman for the American National Red Cross for two years, bringing the J. Earle Jardine Jr. Trophy to Torrance for the first time; was general chairman of the YMCA current campaign for four years; and has been a member of the Elks Club, Moose Lodge, Lions Club, Masons, and the El Toga and South Bay Shrine Clubs.

HE WAS FIRST elected to the City Council in 1954, was appointed mayor by a majority of the Council in 1955, and was elected to the post at the municipal elections in 1958.

During his seven-year tenure as mayor of Torrance, he has presided over more than 400 meetings of the City Council, and was largely responsible for establishing Junior Citizens Day, Armed Forces Day, and Airport Day in the city.

He is being given much of the credit for establishing Torrance as the site for the permanent facilities for the Southwest District Superior Court, and has been handed the lion's share of the credit for entering Torrance in the judging for "All America City" selection and the subsequent selection which followed his appearance before the selecting committee in Memphis, Tenn.

MAYOR ISEN and his wife, Sara, reside at 4538 Vista Largo, overlooking South High School and much of the city he loves.

"The next four years will bring new and interesting challenges," he said this week. "With the continued cooperation, goodwill, and active participation of the people of Torrance, the future holds great promise."
